Victor E Garden Volunteer Work Evenings - Food & Garden Club

The Food & Garden Club hosts volunteer work evenings at the Victor E Garden (located in the meadow next to the Robbins Center) every Monday and Wednesday starting at 5pm, unless it is raining at the start time. Work evenings generally last 60-90 minutes and will consist of various light gardening tasks.

Gloves will be provided, but we recommend that you bring your own water bottle, and wear shoes/clothes that you do not mind getting dirty. You do not need to be a member of the Food & Garden Club to attend, and work evenings are eligible as service hours for the organization of your choice.

Contact Shane at sfkeller2@mail.fhsu.edu with any questions.

Update your Publications with Correct Technology Terms and References

ACTION REQUIRED! UPDATE YOUR PUBLICATIONS WITH CORRECT TECHNOLOGY TERMS AND REFERENCES!

Are you updating materials for this year's print cycle? Are you reviewing publications and webpages? Technology Services would like to take this opportunity to clarify how to correctly refer to our services and systems.

Because technology is always changing, there have been many operational, service, and website changes over the past several years in the Office of Technology Services. We sometimes encounter departmental offices that are producing/printing/sending students and faculty/staff outdated information! **Instead of creating content that may quickly become out of date, it is strongly recommended that you post links** to TigerTech and the Office of Technology Services (and test all links to make sure they are still accurate). **We are always happy to either review or write content for your technology-oriented communications.**

Here are just a few of the major changes that have occurred during the past few years:

- **TigerTech has replaced the CTC HelpDesk, Tiger Info, and PC Support.** TigerTech (www.fhsu.edu/tigertech) is located in Tomanek Hall Room 127 and can be reached at 1(800) 628-FHSU, (785) 628-FHSU, (785) 628-4000, and 0 from campus telephones; our website also includes an online chat option.
- While TigerTracks is still the student portal, **the TigerTracks single sign-on login has been replaced by TigerNetID.** All statements that say "activate your TigerTracks account" must be replaced with "activate your TigerNetID" (www.fhsu.edu/activate).
- **Outlook has replaced Lotus Notes** as the faculty/staff email system.
- **Here are a few web pages containing important information** for new students and faculty/staff:
 - Technology Services: www.fhsu.edu/technology/
 - TigerTech: www.fhsu.edu/tigertech/
 - TigerNetID: www.fhsu.edu/tigertech/tigernetid/
 - Information Security: www.fhsu.edu/technology/security/
 - New Student Information: www.fhsu.edu/tigertech/new-student-information/. This is the official single-point of reference we request new students to visit, and all departments to refer to, for technology accounts and information.
 - New Faculty & Staff Information: www.fhsu.edu/tigertech/new-faculty-staff-info/

Thank you for your attention to detail as we communicate unified, consistent messages to our students and faculty/staff!

If you have questions or would like someone to proofread or update your technology reference information, please contact Nancy Cunningham at njcunningham@fhsu.edu or ext. 4774.

Update to the Data Retention Policy in FHSU PC Labs

The Department of Technology Services is updating its storage retention policy for student files stored on the computer lab network server.

On the previous network server, "scatcat", files were retained indefinitely. Scatcat has been decommissioned and beginning this year, files stored in the students' lab network storage (aka the U:\ drive or My Documents folder on lab computers) will be **erased** following the spring semester.

To avoid data loss, please copy all important documents and files to a flash drive or to your Google Drive prior to the end of the Spring 2018 semester.

If you have any questions or concerns, please contact [TigerTech](#).

VHS Players to be Removed from Classrooms this Summer

Over the last few years, Tech Services has been decreasing support for VHS players in the classrooms by not including them in new construction and renovations. Due to difficulty getting parts and/or replacement VHS players, we will be removing these VHS machines in all classrooms over the summer. However, this will include pulling all the DVD/VCR combo units as well which are currently in most classrooms. For those of you using these machines to play DVD's, you will need to start using the computer to play DVD's. The computers in the classrooms are set to "Autoplay" discs so simply inserting the disc and waiting a bit will launch VLC player.

Here is some important information to help you to migrate to a digital format and eliminate VHS tapes:

- If the content has absolutely no copyright concerns whatsoever, Kevin Staab (4452) can digitize VHS tapes.
 - Please remember that over-the-air recordings are not necessarily copyright free.
- For copyrighted materials, Jennifer Sauer (5262) in Forsyth Library can assist in finding alternative media formats. Please try to let Jennifer know by June 1 if you need assistance finding alternative media formats.
- For material without reasonable alternatives, Jennifer will assist with seeking out permission to convert to a digital format.

Again, this will be happening over the summer so please do not wait until the last minute in handling your must have VHS content.

-Mark Griffin, Assistant VP of Technology Services and CIO

FHSU Bands offer Something for Everyone in Friday Concert

Friday, May 4; 7:30pm

Beach-Schmidt Performing Arts Center

The Fort Hays State University Bands will perform their final concert of the year, entitled "Something for Everyone" on Friday, May 4 at 7:30 in the Beach-Schmidt Performing Arts Center.

Director of Bands Jeff Jordan offered the following commentary:

"The American Concert Band is probably the most puzzling ensemble to the average listener because of how it is often perceived. Sometimes it is considered a sit-down version of a marching band while others see it as the wheezy old "concert in the park" ensemble portrayed on vintage television shows like Green Acres and Andy Griffith. Adding to the confusion are the variety of names affiliated with it such as Concert Band, Symphonic Band and Wind Ensemble and one can understand why audience members might be confused. In reality, all of these labels are inadequate to portray the vibrant, artistic and engaging group that we call a band. Today's ensembles are the province of our best composers, most gifted conductors and last, but not least, some of the world's most talented student musicians. They represent the best music of the past in the works of Wagner, Mendelssohn and Strauss along with most respected composers of the twentieth century including Gustav Holst, Ralph Vaughan Williams and Paul Hindemith. Finally, they have attracted the interest of our leading contemporary voices such as Pulitzer Prize Winners John Corigliano, Jennifer Higdon and Kevin Puts. It is significant that all of these figures have found the band to be a viable medium for their considerable powers of expression."

The Fort Hays Concert will represent this expression well on Friday and in a variety of ways. Not only will it feature the world premiere of two transcriptions for band by Jordan and Symphonic Winds conductor Peter Lillpopp, it will boast the music of John Phillip Sousa, Ralph Vaughan Williams, Jean Sibelius and Leonard Bernstein, whose centennial is celebrated this year. A special highlight will feature the unique sonic palette of William O. Smith's *East Wind*, perhaps the most unusual work on the program.

Additionally, the work of popular American band composer Pierre LaPlante will be showcased with *American Riversongs*, led by student conductor Aislinn Walters. Walters, a senior music education major from Hays is also the 2017-18 holder of the prestigious Presser Music Scholarship.

Students are admitted free with their Tiger Card, and other tickets are: \$6 for adults; \$4 for students and senior citizens; children 12 and under are free.
